

This Summer's Best Getaways

Ocean House, Watch Hill, RI

The Ocean House is a stunning New England seaside resort that focuses heavily on wine, food and service (despite the no-tip policy). Meticulously reconstructed five years ago, the property is open year-round and boasts a full-service spa and fitness center, a croquet court, indoor pool and five unique restaurants. For fine dining, reserve a Chef Table experience at Seasons, or cool down with beachside cocktails at Dune Cottage. You can also slurp oysters and take in scenic views of the Atlantic at the outdoor eatery, Verandah, or tackle a massive burger at the indoor Bistro. Free culinary and wine classes are available throughout the day. If you feel like taking a ride, borrow one of the hotel's many Mercedes-Benzes for a spin to the nearby Jonathon Edwards winery, free of charge. —*Marina Vataj*
