NATURALIST

**Nature Craft:** Enjoy these fun nature-themed activities geared toward adults and older children. In June we offer Beachstone Jewelry, Gyutaku Fish Prints & sun catchers.

**Hunter Boot Tide Pool Walk:** Join Capt. Mark on an adventure to shallow watery places. Depending on tide stage we will explore rocky Atlantic shoreline tide pools, or the grassy salt marshes that ring the salt pond. We will look at the seaweeds and the creatures that live in these sheltered areas. A perfect application for the Hunter Boots available from our lending closet!

**Solar Sunday:** View the sun through our beautiful scope outfitted with a high-end solar filter. This is a safe way to see sunspots on the surface of the sun.

**Fish Netting:** Help pull our 25-foot seine net to shore and then pick out little fish, shrimp and crabs. Hands-on fun and learning. Meet at the Boathouse.

**Touch Tank:** The Naturalist and his staff display live sea creatures that have been collected throughout the day from around the pond.

**Fish Traps:** Ride along on the motorboat with our Naturalist and help pull up several fish traps he monitors. You will see crabs, fish and maybe even a giant eel!
