NATURALIST

Nature Craft: Enjoy these fun nature-themed activities geared toward adults and older kids. This month we offer Beachstone Jewelry, Gyotaku fish prints, and sun catchers.

Hunter Boot Tide Pool Walk: Join Capt. Mark on an adventure to shallow watery places. Depending on tide stage we will explore rocky Atlantic shoreline tide pools, or the grassy salt marshes that ring the salt pond. We will look at the seaweeds and the creatures that live in these sheltered areas. A perfect application for the Hunter Boots available from our lending closet!

Naturalist Van Outing To Kettle Pond Visitor Center: Kettle Pond Visitor Center is the northeast headquarters for US Fish & Wildlife. The center has very nice displays covering local habitats and geography, which our Naturalist will review. Outing is about one hour and twenty minutes.

Birding: We visit local hotspots to seek out our fine feathered friends. Outing will utilize one of the Inn vans, our open-air electric car, or perhaps a boat. Naturalist Mark will bring along optics and local knowledge.

Solar Sunday: View the sun through our beautiful scope outfitted with a high-end solar filter. This is a safe way to see sunspots on the surface of the sun.

Electric Tour of Weekapaug: Join us for an insider's tour of Weekapaug in our new open-air electric shuttle. Bucolic lanes and lawns, beautiful homes, hidden beaches and big views.

Radio Control Sailboats: Sail the seas without leaving solid land. Our r/c sailboats are fun for all ages. Boathouse

Napatree Point, a mile-long ribbon of sand and dune, runs west from Watch Hill towards Fisher's Island. At the turn of the century the spit was home to Ft. Mansfield, an installation of large naval guns; in 1938 dozens of homes were destroyed in the great hurricane. Today "Naps" is a conservation area and a wonderful place to see shore birds, including American Oyster Catchers. Join us on a 3-hour tour of this remarkable site. \$20 per person.

WELLNESS

Naturalist's Beach Walk: Join our naturalist on an hour-long walk down the barrier beach. He will point out wildlife, interesting plants and landmarks. The beach is beautiful and great for walking throughout the year.

Guides: The following guides are available at the front desk:

- Local jogging and biking maps.
- Points of interest map covering Mystic, CT to Newport, RI.
- Walker's guide to scenic downtown Westerly.
- Moon map for self-guided moon viewing.
- iPads with stargazing app.

Printed directions to area attractions are also available at the front desk.

Quonnie Queen Boat Tours – Enjoy a 30-minute pond cruise on our Elco electric boat. Tours leave from the dock right off our backyard and take in waterfront homes and sweeping salt marshes. The ride is slow, tranquil and whisper quiet. *(Tickets are provided to overnight guests at check-in. They can also be purchased at front desk for \$20 each.)*

Naturalist's Motorboat Tour: Join Capt. Mark for a one-hour exploration of the salt pond in our shallow-draft motorboat. It is an exciting way to explore the lagoon and is great at getting into the best areas to view wildlife. Trips limited to six. *(Tickets may be purchased at front desk for \$20 each.)*

INN ACTIVITIES

Inn Tour: Join our Naturalist for a walk around the building. Learn about the original Inn, the Great Hurricane of '38, our current building and recent renovations. Inn Lobby.

S'mores at the Fire pit: Enjoy a childhood favorite at our Fire pit. Tokens for \$ 5.00 can be purchased at the front desk. Guests who dined in the restaurant are free. Weather dependent.

Star Gazing: A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the Naturalist after dark to spot stars, constellations, planets and the moon. Our computerized telescope reveals wonders of deep space.

Cocktail Mixology Demo: Join our beverage team for a fun (and tasty) demonstration on how to mix one of our signature cocktails.

Solar Sunday: View the sun through our beautiful scope outfitted with a high-end solar filter. This is a safe way to see sunspots on the surface of the sun.

Fish Netting: Help pull our 25-foot seine net to shore and then pick out little fish, shrimp and crabs. Hands-on fun and learning. Meet at the Boathouse.

Touch Tank: The Naturalist and his staff display live sea creatures that have been collected throughout the day from around the pond.

Microscopic Pond Life: You will be amazed at how much life there is in a drop of pond water. We see larval creatures as well as all kinds of plankton.

Crabbing: Our little bridge by the front entrance is the best crabbing spot in town. Join the Boathouse crew in a hunt for the feisty blue-shell. Great for participants and observers. Meet at Boathouse.

Star Gazing: A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the Naturalist after dark to spot the moon and planets through our computerized telescope.

Telescope View from Weekapaug Point: A quick ¼ mile walk to Weekapaug Point, where we train the spotting scope on points of note within our view.

Guided Kayak Paddle: Join our experts for a local-knowledge tour through the most scenic parts of the salt pond.

Nautical Knots: Come learn how to tie some of the most useful sailor's knots. Our knot boards make practicing fun and convenient.

WELLNESS

SUP Paddle Fitness: A unique and fun activity to work on balance, strength and paddling technique. Our expert instructor incorporates elements of stretching and yoga. Stable boards and calm sheltered waters make for a pleasant experience.

Tai Chi: As the most well-known of China's martial arts, the slow, circular-focusing movements relax muscles while promoting proper core alignment and balance.

Yoga with Lisa: Gentle yoga with our most experienced and sensitive instructor. Class may be in the Fenway studio or outside depending on class and conditions.

Naturalist's Beach Walk: Join our naturalist on an hour-long walk down the barrier beach. He will point out wildlife, interesting plants and landmarks. The beach is beautiful and great for walking throughout the year.
