About Ocean House

Located on the scenic Atlantic coast in Watch Hill, Rhode Island, Ocean House was originally built in 1868 as a summer home attracting distinguished guests in the early 1900's. The grand Victorian hotel was a beach resort where generations of families and guests from America came 'to summer.' It closed in 2003 when it was deemed beyond repair, and in 2004 the concept of a new structure replicating the original exterior design was conceived. In 2010, it reopened after a \$140M historic rebuild, and it features 49 guestrooms, 20 suites, and private cottage residences available for rent. Today, Ocean House is one of only 14 Forbes Five-Star hotels in the world, and a member of Relais & Châteaux.
