SPECIAL EVENTS THIS MONTH

August 16th & 31st. ***Spa Session Sound Bath:*** A beautiful way to unwind from the week- a hot cup of tea, an invigorating eucalyptus steam, and then a sound bath session in our private lounge facing the ocean, where the aural tones send your cares drifting away. This session invites release, renewal, and a deeper connection to your inner calm. Ideal for a first time experience as we explain and introduce the concepts of sound therapy, do guided breathing as a group, and then ease into the meditative practice of sound. \$75/guest, plus tax & service charge.

Culinary & Wine

August 8th. ***From Vine to Wine: Is it Worth it?*** Join us for an eye-opening afternoon at the Center for Wine & Culinary Arts, where we'll put your palate to the test in a fun and interactive blind tasting class. Here, we taste the wines before seeing the labels. You might sip an Oregon Pinot Noir side-by-side with a Burgundy. Can you tell which is which? More importantly... is it worth it? This class is designed to help you taste like a pro, evaluate quality, and understand how factors like region, style, and winemaking technique influence what ends up in your glass—and how much it costs. While it's a more advanced tasting, the vibe is relaxed, lighthearted, and perfect for anyone curious about wine, whether you're a budding enthusiast or a seasoned sipper. \$95/guest, plus tax & service charge.

August 22nd. ***From Vine to Wine: Unexpected Treasures from the Cellar:*** Step into the Center for Wine & Culinary Arts for a one-of-a-kind tasting experience focused on the unexpected. In this class, we'll explore "treasures" from our wine cellar—special bottles that may have been overlooked on the list but are drinking beautifully right now. These might be lesser-known producers, off-the-beaten-path regions, or wines that offer incredible value for their quality. Hand-selected by our sommelier team, each pour tells a story—of discovery, of timing, and of the joy of finding something truly exceptional where you least expect it. Whether you're a collector or just curious, this relaxed, lighthearted tasting is the perfect chance to sip something surprising and fall in love with a new favorite. \$95/guest, plus tax & service charge.

August 29th. ***From Vine to Wine: Uncovering Wines of Europe:*** Join us at the Center for Wine & Culinary Arts for a guided tasting that takes you off the beaten path and into the heart of Europe's lesser-known wine regions. In this class, we'll explore five unique, high-quality European wines that deserve a spot on your radar—think Austria's vibrant Grüner Veltliner, the volcanic elegance of Etna Rosso from Sicily, the savory charm of Chinon from the Loire, the refined bubbles of Italy's Franciacorta, and the bold character of Mencía from Bierzo, Spain. These aren't your everyday pours—each bottle offers a fresh perspective on tradition, terroir, and winemaking excellence. Whether you're a seasoned enthusiast or simply curious, this tasting is a chance to uncover new favorites and deepen your appreciation for Europe's hidden gems. \$95/guest, plus tax & service charge.
